MEMORANDUM

TO: HRS Document

FROM: Tony Wasilewski

DATE: January 24, 2007

SUBJECT: Explanation of incorrect dates on COC and Log Book

RE: ILD980606941 Montgomery County
Eagle Zinc

This memo is in reference to samples X308 and X310. The differences of the dates on the chain of custody forms and the dates listed in the logbook are due to human error. The dates listed on the chain of custody form for X308 was 4/18/2005 and X310 was 4/19/2005. The dates listed in the logbook for X308 was 4/25/05 and X310 was 4/26/2005. The dates listed in the logbook are the correct dates. The chain of custody operator inadvertently chose the wrong dates on the chain of custody program.
